Lime solution or Ca(OH) ₂				x											
M&M candy															x
Marshmallows or gum drops (2 sizes)															
Metal cubes/chunks															
Mg(NO ₃) ₂					x										
Na ₂ CrO ₄					x										
Na ₂ HPO ₄		x													
Na ₂ SO ₄					x										
NaCH ₃ COO					x										
NaCl					x										
NaCl (saturated solution)											x				
NaNO ₃					x										
NaOH (0.1 M)					x										
NaOH (1 M)															
NaOH solid															
NH ₄ NO ₃															
paper towels (multiple brands)															
Pennies & Nickels											x				
phenolphthalein				x											
Phosphoric acid (85%)															
Polyvinyl alcohol (4% solution)													x		
rock salt															
Salicylic acid												x			
Sports drink															
Sugar (Sucrose)															
universal indicator															
Vegetable oil															
vinegar (5% acetic acid solution)															
Volatile organic liquids															
White glue														x	
Zinc (mossy)								x		x					
Zn(NO ₃) ₂										x
